Orienteer through the cold and snow in Morgan-Monroe State Forest! Teams of 4-6 will hike through a course that can range from 20-40 miles as the crow flies, depending on the location and planners. Teams should be prepared to cover 50 miles on foot.

Teams will be given a map and points and set free to find a system of punches and punch to verify a team has indeed found a checkpoint.

Racers **must** provide their own transportation to Morgan-Monroe. There will be no driver board.
